

2017 Annual Report

Service is provided to eligible residents of Exeter, Greenland, Hampton, Hampton Falls, Kensington, North Hampton, Rye, Seabrook and Stratham, NH. Eligible residents are adults who are age 55 or better or other adults who have a disability or medical challenge that prevents them from driving.

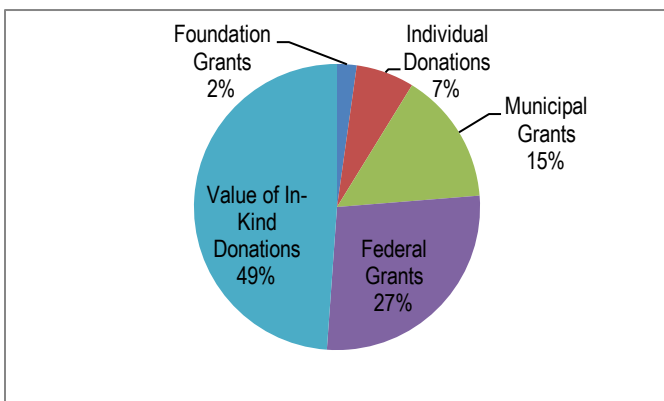

2017 Service Summary:

- 3888 completed rides provided by 50 TASC volunteer drivers.
 - This included:
 - 1474 rides for life-sustaining kidney dialysis treatments
 - 217 rides for cancer treatments
 - 257 rides for counseling and behavioral health
 - 333 rides for physical therapy and other rehabilitative services
 - 281 wheelchair accessible rides.
- 56,851 miles driven and 6,549 hours donated by volunteer drivers.

TASC's Impact

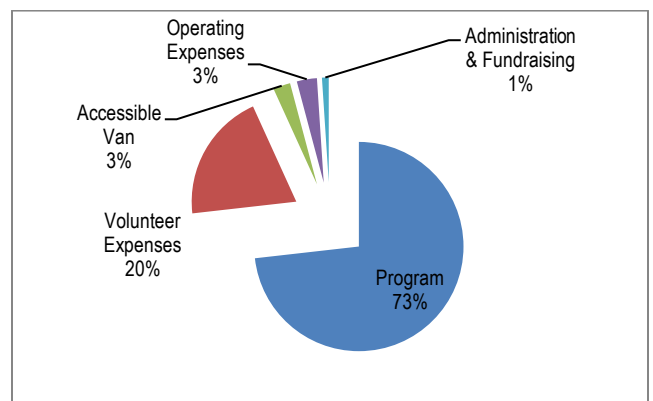

“My son is a grown man and I’m getting up there in age. I do what I can to take care of him. I just can’t do it all. He was embarrassed to have outside help, but your drivers are so nice that he forgot all about that. And if it weren’t for your drivers, I wouldn’t get any rest – not physically and not emotionally. I was getting sick a lot, but I’m much better now and that makes it a lot easier to cook and take care of my son. We both appreciate everything that you and your drivers are doing to help us!”
